# Virtual Fair Licence

Run your own bespoke
Virtual Career Days.

Our Virtual Fair Licence helps you interact with
and hire candidates from the comfort of your office.

Our Virtual Fair Licence is an interactive solution using an innovative software (SaaS), which has been designed with candidates experience and engagement in mind. Run your own 3D virtual recruitment event and get connected with relevant job seekers through our matching technology, connect and engage live with relevant profiles, all from the luxury of your office.

Why going virtual?

CANDIDATE INTERACTION
Interact with relevant candidates through chat, audio or video calls. Shortlist or reject candidates for a proactive recruitment approach.

COMPANY BRANDING
Virtually meet and interview candidates within a 3D environment branded with your company's assets.

TIME EFFICIENCY
Engage in multiple conversations at the same time and complete your recruitment drives in one go.

ONE FLAT FEE
Uncapped hires!
