

Applicant Tracking

Manage your entire recruitment process with our flagship, all-in-one recruitment platform.

Careerbuilder's Applicant Tracking System provides all the tools you need to attract quality talent and run internal recruitment processes.

Successfully acquire more candidates through a seamless experience

Our recruitment software converts more job seekers into applicants through a modern, optimised candidate-centric site experience. Talent Network, in tandem with Applicant Tracking, is the front-end career site for job seekers that gives you the resume sourcing and job distribution tools to connect you with candidates.

Find the Right Candidates Faster in a Single Platform

Bring together past applicants, internal candidates, employee referrals, sourced candidates and talent network members in one recruiting tool that uses our job board technology to effortlessly find and hire the best candidates faster. Start and manage the on-boarding process for your new hires from one easy-to-manage dashboard.

Make Proactive Changes to Your HR Strategy with Real-Time ROI Data

Utilize the data of Applicant Tracking to keep your business stakeholders up-to-date of your process in filling their open positions, and elevate your decision-making process with real-time statistics and reports.

Data protection is a top priority for CareerBuilder.
Our Applicant Tracking solution is fully GDPR compliant.
